

Mill Lane

'Healthcare Homes offers a uniquely different choice for the elderly. Our objective is to create an environment where residents receive the highest standards of care, where dignity is respected, where talents and interests are encouraged, and where life is lived to its fullest potential'.

Mill Lane, Felixstowe, Suffolk

Our Home

Opened in 1976, Mill Lane offers specialised nursing care for the elderly and has an enviable reputation in the local community for its high quality care. The Home, which was once the local doctor's surgery, has been sympathetically extended to now offer a choice of welcoming reception rooms with attractive patio areas, all available for our residents and their guests to enjoy. Although our rooms are fully furnished, we encourage residents to bring with them items of furniture and personal effects to complement those already provided so that their room can become an individual retreat.

Location

Mill Lane is situated in the Old Town residential area of Felixstowe, conveniently near to a range of shops and amenities. To ensure that our residents continue to have an active social life, the homes' minibus regularly takes residents to the local theatre, on shopping trips or to benefit from the fresh sea air of the nearby coastline. If you simply wish for peace and tranquillity, well maintained gardens surround the Home, allowing you to enjoy a haven from the bustle of the town.

Care Staff

Our care staff are trained to the highest standards and chosen not only for their skills but also for their warmth, friendliness and caring attitude. They are on hand around the clock to provide professional care that respects the rights and dignity of the individual.

Facilities

We regularly assess each resident so that we can be sure their needs are met and supply specialised equipment if required. An optician, dentist, and chiropodist visit by appointment, and the in-house hairdressing salon provides all the usual services plus manicures and hand massages. Our catering staff provides delicious meals and snacks throughout the day, as well as special dishes for those with particular dietary requirements.

Activities

Mill Lane has the benefit of an Activities Co-ordinator with whom Residents can arrange to take part in as many or as few activities as they wish. Our activity leaflet gives more information about what is on offer.

Individual Care

We strongly believe that no matter what level of care is required, everyone deserves the same attention and has the same right to live life to the full. We aim to make our residents' lives enjoyable and satisfying, enabling them to meet new friends and keep in touch with existing ones. Family and friends are always welcome at Mill Lane and we value their involvement in our resident's care. Above all, we promote individual choice in a caring environment that is free from stress or worry.
