"The staff are professional, but more importantly, caring and kind."

"Mum moved to Ashley Court just over two years ago. All the staff are friendly and welcoming. Everyone knows Mum by name regardless of where they are based, be it in the kitchen, laundry, housekeeping or the carers/nursing staff on each floor. It's good to see such a great team all pulling together."

Explore The Local Area...

Ashley Court is located in the picturesque coastal, seaport town of Poole, where human settlement dates back to before the Iron Age.

The earliest recorded use of the town's name was in the 12th century when it began to emerge as an important port, prospering with the introduction of the wool trade.

Poole is a tourist resort steeped in history, and attracts visitors to its Lighthouse Arts Centre and Blue Flag beaches. The headquarters of the Royal National Lifeboat Institution (RNLI) and the Royal Marines are based in the town's harbour.
