# Caring is at the heart of everything we do...

*Avon Lodge is a modern and spacious home located in Kingswood, Bristol. The home is easily accessible by major road routes and public transport.*

Experienced registered nurses and care assistants, selected for their skills, operate a 24 hour service, delivering a high standard of nursing care to suit the individual. An experienced Manager and Deputy Manager supervises the day to day running of the home and ensures that the care delivered encompasses social, physical, psychological and environmental needs.

Residents are very welcome to bring personal possessions, such as a favourite table, pictures, chair and ornaments. There are a variety of lounge areas, some with TV's or music where residents can entertain family and friends and some for more quiet enjoyment.

Visitors are welcome at any time, to our "home from home". Meals can be taken in one of the dining rooms or in the privacy of their own room. Laundry services are provided by our housekeeping team.

*"My brother was placed in Avon Lodge in early May 2016 to help with his palliative care as he is end stage of cancer. From the minute he arrived at Avon Lodge he has had only the most exemplary care and attention by management, nursing staff, carers, catering, and laundry staff. Nothing has been too much trouble and even the maintenance man shows care. We are extremely glad that our brother has been placed in such a caring environment. There are smiles in abundance."*

*"The staff at Avon Lodge are lovely. They make you very welcome. I am very happy with it."*

# Explore The Local Area...

Avon Lodge is situated in the town of Kingswood, in South Gloucestershire. It has much to offer with a range of local attractions and places to visit whilst the city centre is only ten minutes away.

Kingswood is ideally placed close to the surrounding areas of Bath, Bristol, Somerset and the Cotswolds so there is something to suit everyone. Explore the market towns, historic buildings, shops and parks such as Southey Park, located opposite the home. Many of our residents grew up in the area and this park has some significant memories of children playing football and walking their dogs.

Together we *respect*, with *compassion* we care,  
through *commitment* we achieve
