“I like the way it’s run. I like the people, they offered me wonderful services. I would honestly recommend.”

“My mother in law recently passed away in Home Close after 18 months as a resident. The staff treated her and the family with kindness and compassion throughout her final weeks. All were supportive and suitably offered condolences on our subsequent visits.

A member of staff attended the funeral and indeed was invited to deliver a short eulogy on my mother in laws life at Home Close.”

Explore The Local Area...

Home Close is in a quiet location on the outskirts of Cambridge yet within easy reach of the A14 and served by good public transport links.

It is set within its own large landscaped grounds that are bordered by many mature trees, creating a private peaceful environment. In good weather, many of our residents like to walk in the grounds or sit and take tea under the shade of spreading branches. As well as the extensive lawns, there are many shrub and flower borders which continually change with the seasons, providing interest to residents and visitors alike.

Together we *respect*, with *compassion* we care,
through *commitment* we achieve
