"I have been extremely impressed by Ashley Gardens Care Centre. Dad can be difficult but they seem to know just how to deal with him in a very professional but kind and caring way. All members of staff (including admin) know who he is and will pop up to see him if needs be. I cannot rate the care home highly enough. It is an extremely well-run home."

"Very caring staff in all aspects of care, without exception they treat everyone with respect, give plenty of time when needed to residents."

"Mum's care very good. She is very happy in this lovely care home. Nurses and staff friendly and caring. I have recommended this care home to friends for their family."
