## *Caring is at the heart of everything we do...*

*Barking Hall is a beautiful care home set in stunning surroundings just outside Needham Market in Suffolk.*

Barking Hall care home delivers a range of quality care for older people, including residential and nursing care. We also offer respite stays to give family members who are caring for a loved one time for themselves to take a holiday or just to relax.

As soon as you lay eyes on Barking Hall you will appreciate not only the home itself, but the beautiful scenic panorama that surrounds it, making it a place many people choose to come to receive palliative care. The quiet countryside, the trickle of the fountain in our central courtyard, the sound of the Church bells ringing out, the warmth and care provided by our wonderful staff group, many of whom are gleaned from the local community.

### *Understanding your needs*

There are many different types of care home to choose from ranging from homes which provide specialist nursing care or dementia care to others which simply offer a safe and comfortable new home for people who may need a little assistance with daily life. Which type of home you choose will of course depend very much on your level of need.

We are acutely aware of the daunting prospect of a move in to any care home. It is with this in mind that our aim is to ensure we assist you and your loved ones to make the right choice of care home, even if it is not our own. Having accomplished this - should you choose us, we will endeavour to ensure that you are cared for in a manner that is specifically tailored to meet your needs, choices, likes and dislikes.

Barking Hall offer a number of social activities that our residents can enjoy if they so wish. These include various outings to local places of interest. Sometimes we can be found as far afield as Felixstowe enjoying a spot of sea air, an ice cream or some lovely fish and chips.

*"My daughter arranged for my husband and I to spend a few days respite at Barking Hall. He is 89 and has dementia and I needed a rest. What a lovely home, in such a beautiful rural setting. Our rooms were so nice and we had shaded seats outside my husband's room overlooking the fountain."*

*"When my dad came to this home from hospital he wasn't a well man. The staff at Barking Hall were absolutely amazing. They supported him and us throughout his stay, they were very attentive. All the nurses and carers really did work hard to provide for his needs and they delivered every single time. They really are worth their weight in gold. Thank you so much for bringing my dad back to us!"*
