Caring is at the heart of everything we do...

Fornham House is a care home in Bury St. Edmunds that offers a choice of amenities for tasteful living. Several lounges, including the Constable Lounge, are where many social activities take place and are complemented by patio and garden areas for summer outdoor relaxation.

Generous rooms, some ideal for couples and all with en-suite facilities, are tastefully decorated and provide our residents with the necessary facilities for a quality life in later years. Although all rooms are fully furnished, we encourage residents to bring with them items of furniture and personal possessions so that their room can be a true 'home from home'.

“Very happy with everything that the staff have done to help my mum settle in after a spell in hospital. This has resulted in her getting back to her old self in a relatively short period of time.”

“My father entered care with Fornham House due to health issues and a recommendation from our doctor. He was in as respite until care could be put in place but after a shaky start to his stay he is now settled and is back to being my dad again with a smile on his face.”
