Caring is at the heart of everything we do...

Home Meadow is a warm, bright and welcoming home in Cambridgeshire, which provides both residential and dementia care.

It is laid out in attractive wings called Snowdrop, Primrose, Fuchsia, and Bluebell; each with its own lounge and dining area as well as kitchen and bathroom facilities.

The spacious bedrooms are decorated to a high standard and exceptionally well furnished. We encourage residents to bring items of their own furniture and possessions to complement those provided and to make their room feel personal and individual.

As well as residential care, we provide specialist care and support for individuals with dementia.

Explore The Local Area...

Home Meadow is situated in the quiet West Cambridgeshire village of Toft and overlooks unspoilt countryside. Many rooms have views over the grounds and beyond, offering a relaxing and peaceful environment.

The gardens are stocked with trees, shrubs, roses and bedding plants that provide year round colour and interest, whilst large windows flood the rooms with light. Intimate courtyard gardens provide a quiet sun-trap where residents can sit sheltered from the wind and enjoy the peaceful atmosphere.
