Caring is at the heart of everything we do...

Kingsley Court is a modern purpose built nursing home, tastefully decorated, providing a warm friendly environment for its residents.

The home is designed to provide a secure and safe environment. Lifts provide access to the residents rooms which are arranged over three floors. All bedrooms have en-suite facilities and are equipped with a television point. Residents are very welcome to bring personal possessions, such as a favourite table, chair and ornaments. There are a variety of lounge areas, some with TV's where residents can entertain family and friends or just sit in quiet contemplation. There is also a secure garden area.
