

Maynell House

Part of the Healthcare Homes Group

Caring is at the heart of everything we do...

Based in Old Felixstowe, Maynell House provides a high standard of residential care. The house is a late Victorian listed building, formerly Felixstowe College, lovingly extended and refurbished to retain its original features, creating a superb home with a real difference.

Inviting lounges allow our residents to relax or socialise in this wonderful environment. All the bedrooms offer en-suite facilities, television and telephone access. Whilst all rooms are fully furnished, we encourage residents to bring with them items of furniture and personal possessions so that their room can be a true 'home from home'.

"My mother has advanced dementia and cannot walk unaided. She needs a lot of care and attention and the staff are wonderful with her - spending time just chatting so she never feels lonely. The food is great and mum always eats well. They take her out in the garden which she loves and they keep her company in the evening when she can't sleep."

"Fantastic gardens to sit in and enjoy. Staff always caring and on hand! Father-in-law can be very difficult emotionally. But carers always have time to listen and offer support. Excellent management team, always keep you informed. Personally can't fault the home."
