“All of the staff I come across act in a very professional and effective manner. I always like to say that they are carers that really do care! Mum is always clean and well presented and even though she cannot communicate, the staff talk to her and it is a testimony to them that they are often rewarded with a smile. Mum's room and bed linen are kept spotlessly clean always.”

“Peaceful, tranquil atmosphere from day one, helped by the surroundings. Spacious gardens with easy access, light airy rooms, no unpleasant smells at any time. Staff caring, courteous and readily available; nothing too much trouble.”
