Part of the Healthcare Homes Group

## *Caring is at the heart of everything we do...*

*Shipdham Manor, which dates back over 200 years, has been tastefully extended and linked to the original coach house to provide facilities very much in keeping with the 21st century.*

Our rooms, all with en-suite facilities, are tastefully decorated and provide our residents with a quality environment for enjoyment of life in later years.

Although all rooms are fully furnished, we encourage residents to bring with them items of furniture and personal possessions so that their room can be a true 'home from home'.

Our care staff are trained to the highest standards, using our internal training programme, and chosen not only for their skills but also for their warmth, friendliness and caring attitude.

*"I would recommend this facility to anyone without reservation, relatives can be safe in the knowledge that residents are well looked after and the atmosphere is as homely as is possible to create. I have total confidence in all aspects of the way manor is run, I honestly cannot see any way that things could be done better than they are now."*
