All rooms are tastefully decorated and provide our residents with a quality environment for enjoyment of life in later years. Although all rooms are fully furnished, we encourage residents to bring with them items of furniture and personal possessions so that their room can be a true 'home from home'.

*“Lovely friendly staff, I was made to feel very welcome and to treat it as if it was my grandfathers own home. My grandfather is very content and has a lovely connection with the care staff always having a joke. I especially enjoyed the lovely afternoon tea party they put on, the staff went to great lengths to make lovely cakes and put out the bunting and I was able to enjoy the lovely party outside in the sunshine with all the residents and the cakes were lovely.”*

*“My father was brought in for respite after being diagnosed with dementia. I was very apprehensive but I've had nothing but positivity and all the feedback I've needed. The girls here are absolutely wonderful. I would rate this place 11/10!! Fantastic.”*
