*“Over the past five years, I have visited over ten homes near and around Watford because of the state of my wife’s health. I am pleased that I finally placed my wife here at The Chase Care Centre. Based upon my own experience, this has to be rated as one of the very best care homes in this area.”*

*“Overall, our family have been more than impressed with the care and service our father has received. Staff know what is required of them and they contribute to making fathers stay as pleasant as possible. We were lucky to have been offered a room here when we needed one.”*

# Explore The Local Area...

The home is situated in walking distance from the Cassiobury Park, one of Watford's most popular attractions in Watford, receiving around 800,000 visits per year and hosting a number of popular sporting and entertainment events.

There are local shops, a pharmacy and the doctor's surgery is a stones through away from the home. There is a large supermarket a few minutes away. The town centre is also about a 5 minute drive so all amenities are on hand with a good link of public transport.

Together we *respect*, with *compassion* we care,  
through *commitment* we achieve
