A Wide Range of Activities

We have a range of activities and clubs such as cookery, pottery, gardening and flower arranging.

We have competitive scrabble teams and quizzes and enjoy our knit and natter. Also our very popular pampering sessions are not to be missed.

We have two devoted activities organisers in the home seven days a week, also supported by our volunteers and visiting entertainers.

“Visiting my grandma is always a pleasure, it’s like seeing her in her own home. The staff are so welcoming, and know my grandma so well. There is always so much going on in the home for her to join in with. The Malthouse is simply amazing!”

“First class. Immediate positive response to our desperate phone call seeking immediate short term stay (3 weeks in the end) to follow operation in hospital for broken hip. At all times the resident was treated well and all her wishes met and respected. Very friendly and welcoming atmosphere. All staff were genuinely friendly and kind and were easy to deal with. We could not have wanted anything more. The rooms are spacious and pleasant, food good and care superb.”
