"The care my mother has received during her stay at the Manor House has been far beyond what any of us had ever expected. The staff are a lovely bunch and they always go the extra mile to ensure she is happy and comfortable. The grounds of the home are stunning and during the summer, there is no better place to be than outside in the beautifully kept gardens. I would, without a doubt, 100% recommend the Manor House to anyone who is looking for residential care facilities in the North Walsham area."

"My mother-in-law has been a resident for a year now and she is so happy. Every time we visit she praises up the staff, the food, everything. When we first visited I was impressed by how clean everywhere was, if I could have booked a room there and then I would have done, for myself."
