

# Ashley Gardens Care Centre

## A Note from the Home Manager...

Hello from the team at Ashley Gardens and welcome to my 6th newsletter during lockdown! Sadly, since the slight changes/relaxing of lockdown the weather has not been great, but we are hopeful for some sunshine soon. We have been able to get some residents out into the garden when the weather has been agreeable which they have loved. Now that all swabbing has been completed, we are looking at commencing our visual distanced garden visits next week. Each suite has their own allocated day and you will be contacted to book a slot. To cheer everyone up we have had a funny face photo shoot – See some pictures below.

## Home Activities and Celebrations

We have had a funny face photo shoot at Ashley Gardens to encourage some silliness and laughter – It has certainly done the trick- Please see facebook for more photos of this shoot.

As the weather has been changeable, we haven't been in the garden as much as we would have liked however Pat and Irene enjoyed a cuppa together outside after a stroll/wheel around the garden area.

As part of the funny face photo shoot Brian made a new friend – Who knew Ashley Gardens had a resident meerkat... 😊

We will continue to post pictures as they come through

Visual Distanced Garden Visits are now being booked to commence Monday 15<sup>th</sup> June however you can still request a facetime/skype with your loved one in the usual way
