

# Ashley Gardens Care Centre

## A Note from the Home Manager...

Hello again from everyone at Ashley Gardens and welcome to my third newsletter during lockdown! Our new ice cream van is very popular with our residents and staff – they are loving the flavours, sauces, sprinkles and marshmallows. We have been continuing our video calls and hope you are enjoying them. Thank you to you all for taking part in the Zoom relatives' meetings – I have sent out details for the next one so look forward to seeing you next week. If you would like to help us and have 5 minutes, please take the time to leave us a review on [carehome.co.uk](http://carehome.co.uk) – this is like the trip adviser for care homes and really helps us xx

## Home Activities and Celebrations

This is our new ice-cream van named Lickety Split. Bobby and the team made this for the resident's enjoyment and it even has the ice-cream van chimes – We all love it!!

We are running a VE Day project asking for children to send in questions to our residents about VE Day. If you would like to take part, please send questions to:

A massive thank you to Maidstone Sewing Group who have provided us with scrub bags, gowns and scrubs for our teams to wear in the home – All of their donations are very much appreciated!

## Arrange a Facetime/Skype with Your Loved One

We can video call in many ways – WhatsApp, Facetime, Skype, Messenger – Just let us know your preferred date and time and we will endeavour to make it happen x
