

Ashley Gardens Care Centre

A Note from the Home Manager...

Hello from the team at Ashley Gardens and welcome to my 5th newsletter during lockdown! We have been enjoying some fantastic weather since our last newsletter and the residents have enjoyed some garden walks. We have also had some birthdays in the home and really enjoyed seeing you coming in and singing (and dancing in some cases) in the garden. It has been so lovely to see the smiles on faces as a result. We are still awaiting our tests which I ordered well over a week ago now – fingers crossed they will be here soon. I am on AL this week but will still be conducting the relatives Zoom on Tuesday from home – details to follow.

Home Activities and Celebrations

A beautiful picture of Brenda enjoying the lovely sunshine – while they were outside, they enjoyed a cuppa and did some daisy picking. The daisy looks lovely as a hair decoration in this pic!

A lovely birthday celebration this week for Kathy – Her two sons and daughter in law came to sing Happy Birthday outside in the garden and she absolutely loved it. She also very much liked the birthday cake and sweets 😊

Another birthday celebration on Biggin Hill this week – our lovely Brian. He was treated to the biggest helium balloons I have ever seen with his age, lots of lovely presents and a cake. Finished off with a video call with his lovely wife 😊
