

# Ashley Gardens Care Centre

## A Note from the Home Manager...

Hello from the team at Ashley Gardens and welcome to my 7th newsletter during lockdown! We have had a fantastic week with Rob T coming to entertain our residents in the garden on Tuesday, garden prize bingo and ice lollies on Wednesday and BBQ party on Thursday. The residents have really enjoyed the glorious weather, the lovely food and refreshments and definitely the ice lollies. The very best part though is seeing people together (but distanced) again – The garden visits have been emotional and uplifting for everyone and I truly can't thank you all enough for your patience and support with all of our lockdown restrictions x

## Home Activities and Celebrations

Wesley our resident Chef decided he wanted to do a BBQ this week for all residents and staff. It was fabulous and everyone enjoyed the food and drinks as well as the music and socialising. A big thank you to Bobby & Beth for their efforts to make this happen with Wes

Our garden is looking beautiful – the gardener is doing a grand job at the moment and our lovely bright patio furniture looks fab alongside our new gazebo. Beth and Bobby also put up bunting and beach party decorations for a real party feel

Alongside the BBQ we had garden games and 4 paddling pools filled up with cool water. Such a nice feeling to feel your feet in the water and have a paddle on such a hot day! Please bring in sun hats for your loved ones if you have one

**Visual Distanced Garden Visits are being booked weather permitting. However you can still request a facetime/skype with your loved one in the usual way – e-mail or phone on the details below.**
