

Ashley Gardens Care Centre

A Note from the Home Manager...

I just wanted to say a big hello from everyone here at Ashley Gardens. I would personally like to thank you for your patience and understanding during these extremely difficult times and would like to reassure you that your loved ones are as always being cared for exceptionally well by my amazing team. Please do take advantage of contacting me to arrange Skype, Facetime or normal phone calls with your loved ones. We all miss you being in the home and can't wait for you all to return – it will definitely be party time!

Home Activities and Celebrations

We have been putting up rainbows in resident's windows with messages to family on them and our lovely rainbow banner is proudly displayed outside the home

All residents received a lovely Primrose on Mother's Day and a local farm has delivered every resident their own raspberry plant – they should start giving us fruit in July

The interactive table has been used a lot recently – Keith has been watching the football with Sullivan and games are being played with residents throughout the home

Arrange a Facetime/Skype with Your Loved One

Please contact us via phone or email so we can arrange for you to have an individual Facetime/Skype call with your loved one, they would love to hear from you.
