

Ashley Gardens Care Centre

A Note from the Home Manager...

Welcome to our 9th lockdown newsletter. This week we have had a fantastic BBQ and Summer Fete for the residents and as I am sure you can see from the photos below; they had a fantastic time. Wesley cooked some very tasty burgers, hot dogs, sausages and chips and the activity team did a phenomenal job not only preparing and decorating the garden but also entertaining everyone. Rob T came in the afternoon to sing and we had a visit from our CEO with lots of goodies and vouchers for the staff team.

Home Activities and Celebrations

A lovely picture of The Oast Crew enjoying the BBQ and Pat looking very cool in her hat and shades

A beautiful picture of the garden decorated and packed with residents enjoying the food and mocktails

The ice cream van also made an appearance during the afternoon and Rob T came to play his ukulele and sing for us

Garden Visits are going well, and we are currently awaiting delivery of our garden pod which will provide an inside visiting experience outside of the home. It will be fully furnished and have nurse call system etc in it. Video calls continue however we are having to prioritise for those who are unable to do a garden visit at this time.
