

# Haughgate House

Part of the Healthcare Homes Group

## Caring is at the heart of everything we do...

*Haughgate House was originally built in the 1920's as a family home for the local Cobbold family.*

The property was converted in to a nursing home in the 1980's and has recently undergone a major refurbishment. This has provided a new range of facilities in keeping with the 1920's home, whilst providing modern and comfortable rooms for residents and staff. Alongside the 12-bedroom extension, works have included a completely new kitchen, laundry and staff room facilities, in addition to two new communal day rooms to be enjoyed by residents.

The home provides nursing care for up to 43 residents. It has a good reputation in the local area for delivering high quality nursing care. It is set in a peaceful and tranquil setting with lovely grounds to enjoy. Haughgate House boasts period features throughout. Comfortable lounges provide wonderful views of the gardens.

# Explore The Local Area...

The home is located in the heart of Woodbridge, a beautiful, historic town with the iconic Tide Mill on the quayside and peaceful views across the harbour, gaze as the sun rises out to sea in the mornings.

With shops, cafes, pubs and places of entertainment such as the Riverside Cinema, there is always something to do to occupy yourselves with and to enjoy, whatever the British weather delivers. Walks around the harbour and into the countryside are also popular due to the outstanding beauty of the town's surroundings.

Together we *respect*, with *compassion* we care,  
through *commitment* we achieve
